

August, 2018

Dear Families:

You may qualify for discounted internet access at home, if any of the following apply to you:

- Qualify for free or reduced lunch
- Receive food stamps
- Receive housing assistance
- Are a veteran
- Are on Medicaid
- Receive Supplemental Security Income
- Participate in other income-based program

The **Internet Discount Finder** (<http://maps.psc.wi.gov/apps/DiscountPrograms>) will show you:

- If there is a discount program available where you live
- What the qualifications are
- What the terms of service are (cost, access speed, etc)

Discounts can be up to 80%.

All you have to do is enter your address to see a list of discount providers and links to information about them. Be sure to enter your complete address, not just your town.

If you have any trouble using the Discount Finder, or would like help getting signed up with a provider, please contact Deb Schillinger (School Social Worker) at 715-356-5206, ext 2234; or Susan Way (School Counselor) at 715-356-5206, ext 2134. You may also stop in during registration if you would like assistance with completing the Internet Discount Finder.

Sincerely,

Deb Schillinger, School Social Worker
Susan Way, School Counselor

The Internet Discount Finder is provided by the Wisconsin Public Services Commission
